Good Afternoon,

As COVID-19 virus increasingly affects our communities, I want to personally provide an update about what Gyro Specialist is doing to ensure its employees and facilities remain safe while also providing uninterrupted services to our customers.

We understand these are unprecedented times, and we are implementing plans that allow us to continue to meet your needs. Gyro Specialist remains open for business and our team is here to ensure you continue receiving the best service possible

We continue to follow the Centers for Disease Control and Prevention guidelines and prioritize safety and health of our employees and customers.

Gyro Specialist AOG and repair technicians continue to work on site to ensure no disruption to services. Our AOG department has always been and continues to be available and on call 24/7 to fulfill customer's needs.

Now more than ever it is important to do our part to ensure the safety of our communities and those closest to us. Please do not hesitate to reach out to us for support or with questions.

Thank you

Rob Luce
